14th Annual International Kids Festival

ABOUT The Annual International Kids Festival is an annual event that brings together thousands of families from Russian-speaking, Asian, African-American, Hindu, Latino, and other communities. The festival provides direct exposure among the ethnic consumers and thus builds a lasting connection with these vast market pools.

This festival has been around for over 14 years and helped hundreds of organizations reinforce community presence, boost their image among the multicultural families, and deliver information about their products and services to a hard-to reach market pool.
